

ANNA MARIA DE BARTOLO

CAREER

She has been researcher in English (Lingua e Traduzione Inglese) since 2005. She became researcher in English in the faculty of Political Science at the University of Calabria, Italy. In 2016 she became Associate Professor in English language in the Department of Culture, Education and Society at the University of Calabria. She holds a Master degree in Modern Literature and Culture, York University (UK) and a Master degree in Language Teaching: Applied Linguistics, Loughborough University (UK)

RESEARCH

Her research interests include teacher talk, classroom behaviors, and since 2011 they have mainly focused on ELF pragmatics and the issues surrounding global and local varieties of English. She has published in the area of multilingualism and multiculturalism, and is particularly interested in exploring the implications of ELF (English as a lingua franca) for English language policy, pedagogy, and practice as well as ELF in relation to global multilingualism. Her recent publications include: "A Preliminary exploration of teachers' attitudes towards Intercultural Communication through ELF". *EDUCAZIONE LINGUISTICA. LANGUAGE EDUCATION* (2019); "Learners' awareness and attitudes towards ELF. A Pilot study in an Italian University context". *LINGUE E LINGUAGGI* (2018); "Plurilingual Communication in ELF Talk. From exploration to application of ELF-oriented perspectives. *LINGUE E LINGUAGGI* (2016).

She participated in many national and international conferences, in particular in the last few years she attended the ELF international conferences : in Lleida (Spain) 2016 'Framing English within multilingual policies and practices', Helsinki (Finland) 2018 'ELF and Changing English', London 2019 'ELF, Migration and Multilingualism, Lodz (Poland) 2019, 'Native and Non-native accents of English'.
